

Team up with the Anaheim Ducks

Let the Anaheim Ducks help you create a fun way to raise money for your organization!

Group savings begin with as few as 20 tickets. The more people you bring, the more you save!

"I started doing fundraisers with the Ducks five years ago. Our success with the fundraising program has allowed us to gain valuable funds for our school and various non-core curriculum programs. In our first year, we sold over 500 tickets and made a great profit. Everyone at the Ducks organization has been great. We are glad to be a part of this program!"
- Sandie Fellows, Lake Forest Elementary School

"The Ducks provide me with a wonderful price break incentive and I am able to create a decent profit margin and still provide my people with below box office pricing. It's a "win-win" situation...once group members attend a live hockey game, chances are, they become a fan for life."
- Michelle Reynoso, Office of the District Attorney

How to Participate in the Fundraising Program:

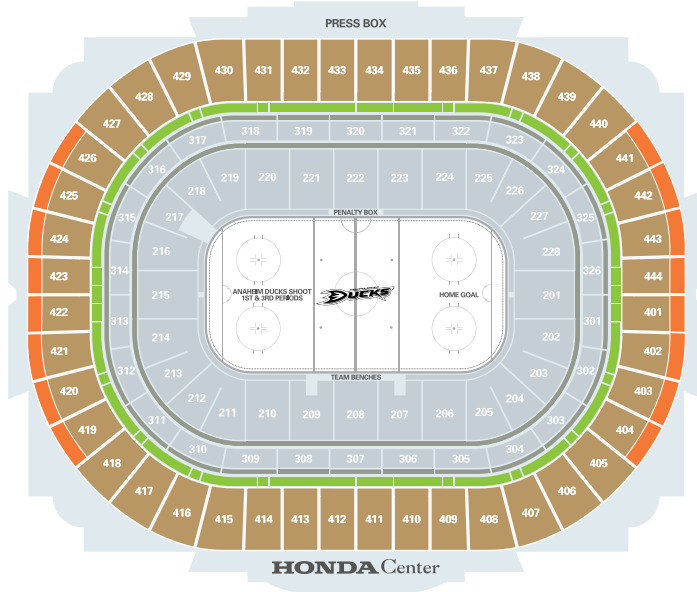

1. Select any Ducks home game and reserve 20 or more specially priced tickets.
2. Set your ticket price up to the game day price.
3. Promote your special event to organization members, friends, family, businesses and community partners.
4. Use your fundraising profit toward any under-funded projects your organization needs!

All you have to do:

1. Select any Ducks home game and determine how much you want to charge for each ticket.
2. Use the template we provide to gather orders and payments from your group
3. Keep your fundraising profit and forward the rest to us. As soon as we receive the payment (at least three weeks before the game) we will mail the tickets to you so they can be distributed.
4. Come to the game and cheer on the Ducks! It's that simple!

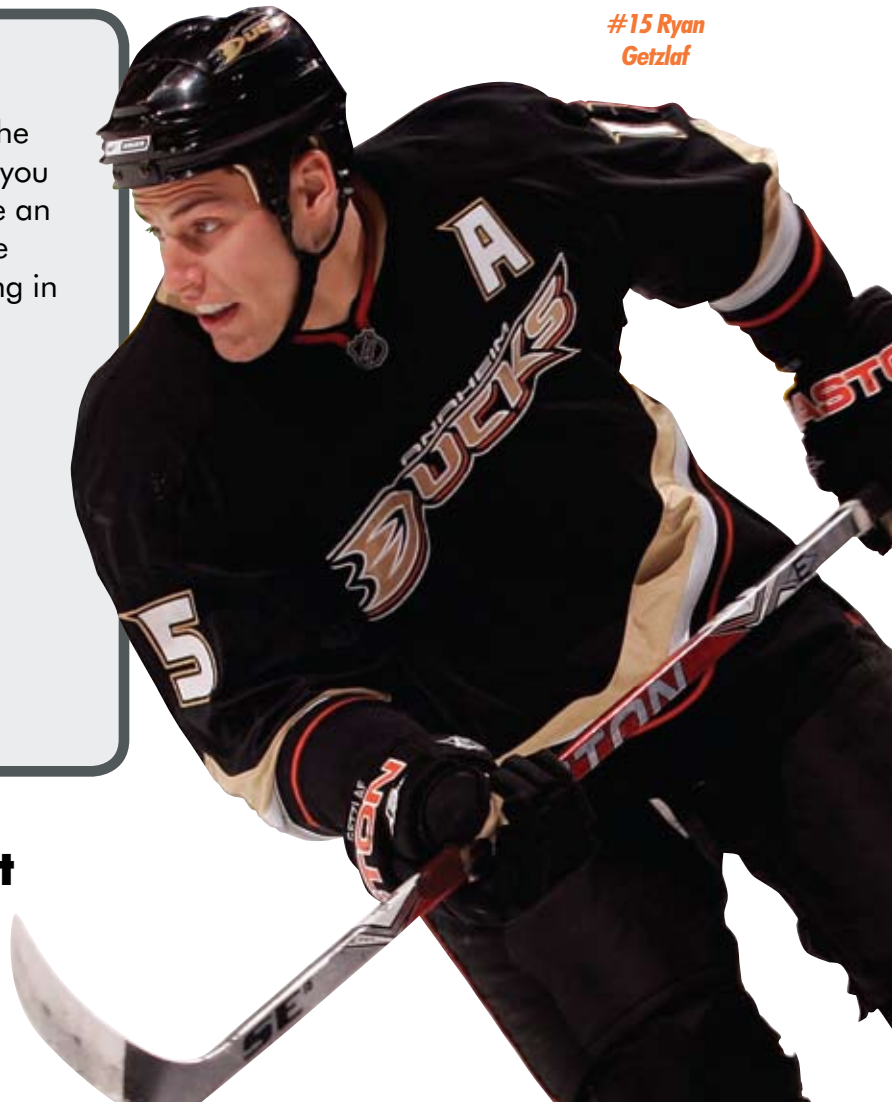

Plus!

We will recognize your organization during the game. For larger groups, we can work with you to develop added benefits to make the game an unforgettable experience. Imagine riding the Zamboni, singing the National Anthem, sitting in the penalty box, or even skating on the ice!

Raise even more funds with our Silent Auction!

If your organization sells 300 or more tickets to a Ducks game, you will qualify to receive proceeds from our in-game Silent Auction (subject to availability). During the 2008-09 season, the Silent Auction raised an average of \$700 per game!
